Four Senior boys gather together to pray during "See Ya at the Pole" on Sept 16.

Once again the 8th graders attempt to be "cool" during spirit week.

Junior High girls have the right idea when it comes to beating the opponent during Homecoming.

Oh stop! .... You're making me blush .... stop!

# Fired Up ..... .....For Christ!!!

Enthusiastic, energetic, outgoing, rambunctious, just plain wild. These are all words that can be used to describe the colorful individual personalities that make up the student body of Nebraska Christian. Although many other schools would argue that they are fired up, NC has one advantage over the rest. We have a special desire to be fired up not only for fun, but for Christ as well. Through everyday challenges and trials, along with the fun and encouraging events, the student body continually learns to channel their "fire" towards serving the Lord. Whether it is in the classroom, the playing field, or off campus, Nebraska Christian students are striving to be **Fired Up for Christ!!**

Hayer laughs hysterically at the thought of actually studying for an American Government test.

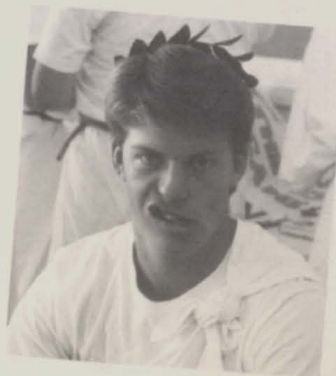

## 1993 Rulz!!!

Micky attempts to once again pass the muffin to Mark at the 70th reunion of the class of 1993.

# Blaze Of Glory!

*HOLY COW!! Of all the people to be Seniors it's finally us!! Can you believe it?! Every year each Senior class says they have some special memories and a wonderful class ... and that's very true ... but this year that applies so much more than ever! Our class truly has been through everything together. We've laughed and cried together, yelled and studied together, got suspended together, worked, and grown together in Christ. God knew what He was doing when He placed us all at NC. Our class wouldn't be the same if any one person was missing! Our reputation has pretty much been established as a class that isn't afraid to go to some fairly crazy extremes to prove a point . we definitely will leave .... in a **Blaze of Glory!!***

1. The morbid and depressed of the Senior class.
2. "Do not touch my hair!"
3. "I'm so stressed! I can't take it! Calgon take me away!!"
4. Confucious with her Greek gods.

It is hard to describe the role the underclassmen play in the NC family. Though they aren't at the top yet, they still continually prove to be fired up enough to get noticed. It is in these years that spiritual, as well as academic growth can play a vital role in deciding who or what kind of a person they are to become. Everyday they must meet the challenges of a heavy course load, with homework coming out their ears, as well as trying to pattern their lives in a Godly manner, by doing what they know is right and pleasing in God's eyes. Although this is a serious time for them to grow, it's also has proved to be a really good time. Through problems and the fun times the underclassmen are learning to **Blaze a Trail!!**

Here come the Freshmen! Under constant torture from the upperclassmen, they have remained cheerful, optimistic, and at times, a little weird. *The sport programs at N. C. are definitely untouchable ... in what way, we haven't figured out yet ... but they sure are a lot of fun!! Just the feeling of getting your first tackle, that incredible spike, the impossible shot you made when the clock had three seconds left, or giving it your absolute all the last 15 yards of the race makes the frustrating times totally worth it!! Some of the friendships made through the season you will treasure for a lifetime, and the lessons learned about yourself, teammates, and God are invaluable. Maybe that's what makes the N. C. sports program untouchable...we've all got Jesus Christ in common. So if you're brave enough ... and if you dare ... join the ranks of those who are **Too Hot to Handle!!***

2. The Eagles defend their playing field.

## MARKED IMPROVEMENT

This year's football team was powerful, however, inconsistencies plagued the 4-5 Eagles all year. Spirit can still be high compared to last year's 1-8 season. The team will be looking to replace the unparalleled core of 8 seniors. The backfield will be stocked for next year, while the line will be looking for men to step into the trenches and battle for the Eagle cause.

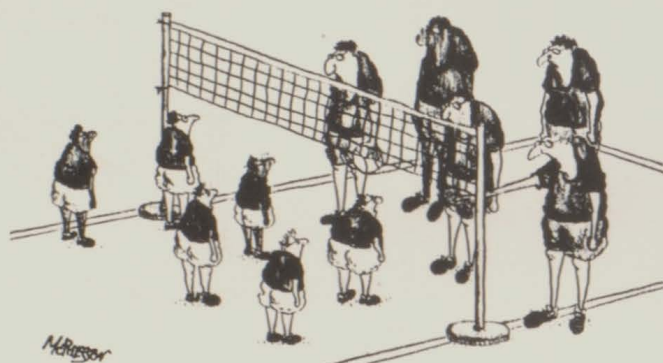

The team was also a good witness this year as shown by one of the referees receiving the Lord after seeing how the team reflected good sportsmanship and good attitudes on the field. This was probably the biggest highlight and made the whole season worthwhile.

"Hey! Six against five! No fair!"

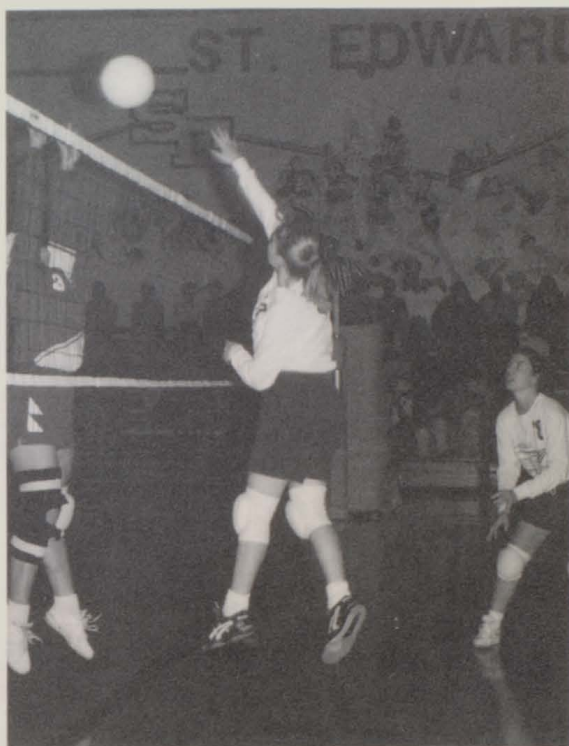

Of all the things to be said about the 1992-1993 Eagles Volleyball Team two words especially come to mind ... PERSISTENCE and DETERMINATION. There have been very few volleyball teams to endure the hardships our team went through and still come out as a team, and still be friends with each other. This is truly something to be proud of. Another positive factor would be the fact that we actually won a game this year ... that blows last year's record out of the water!!! As a team, we grew together tremendously in Christ as we learned to overcome bad attitudes and concentrate on what we needed to concentrate on. Although this season was frustrating and sometimes even seemed hopeless, God gave us some good times with our friends and taught us some lessons about endurance. This team had some women with real character.

# High Expectations!

The 1992 boys basketball team came into the season with high expectations of themselves and from the fans. The season was filled with some exciting game, even though these expectations were not quite met. Without a solid scorer to return from last year, the offense struggled most of the year. Many Juniors and Sophomores have received good playing time, hoping to improve to a winning season next year.

# MAKING HISTORY '93 GIRLS BASKETBALL!

Coming into a season with no record and high expectations, the first girls basketball team was anticipating a busy, but victorious season. Though the victories did not come in the same way they expected, the team saw themselves growing and improving together. Now the sod has been broken, and this team will go down in history as the first. Many more will follow; may they not only find themselves victorious on the court, but also off the court too.

As if everyone on the NC campus doesn't have enough to do already, they all go and sign up for speech, choir, band, drama, and yearbook. It's a good thing they do or else our school wouldn't have half the spirit or fire that it does. The time, commitment, and work involved shows the dedication of the students. If you think sports get crazy, you ain't seen nothing yet!! The late nights, and too much Mountain Dew prove to create some very interesting times. If it wasn't for Jesus, alot of us would have a hard time coping with the stress that goes along with these activities. Through these times of confusion, you learn to trust in God to carry you through. Basically, these activities are great, as long as you don't **Crash and Burn!**

# THE BLAZING YEARBOOK STAFF OF 1993

Being editor of the yearbook has definitely been a challenge this year. This year's staff can be summed up with one word ... PROCRASTINATORS! Even though the yearbook is really late this year, hopefully it captures the memories or at least triggers you to think of last year and special events it entailed.

# STUDENT COUNCIL

L to R: D. Dexter, T. Urwiller, J. Spaulding, K. Klein, H. Jones, D. Jones, M. Musgrave, M. McHargue, A. Schweitzer, R. Dietz

Girls' basketball uniforms were purchased this year through student council fundraisers.

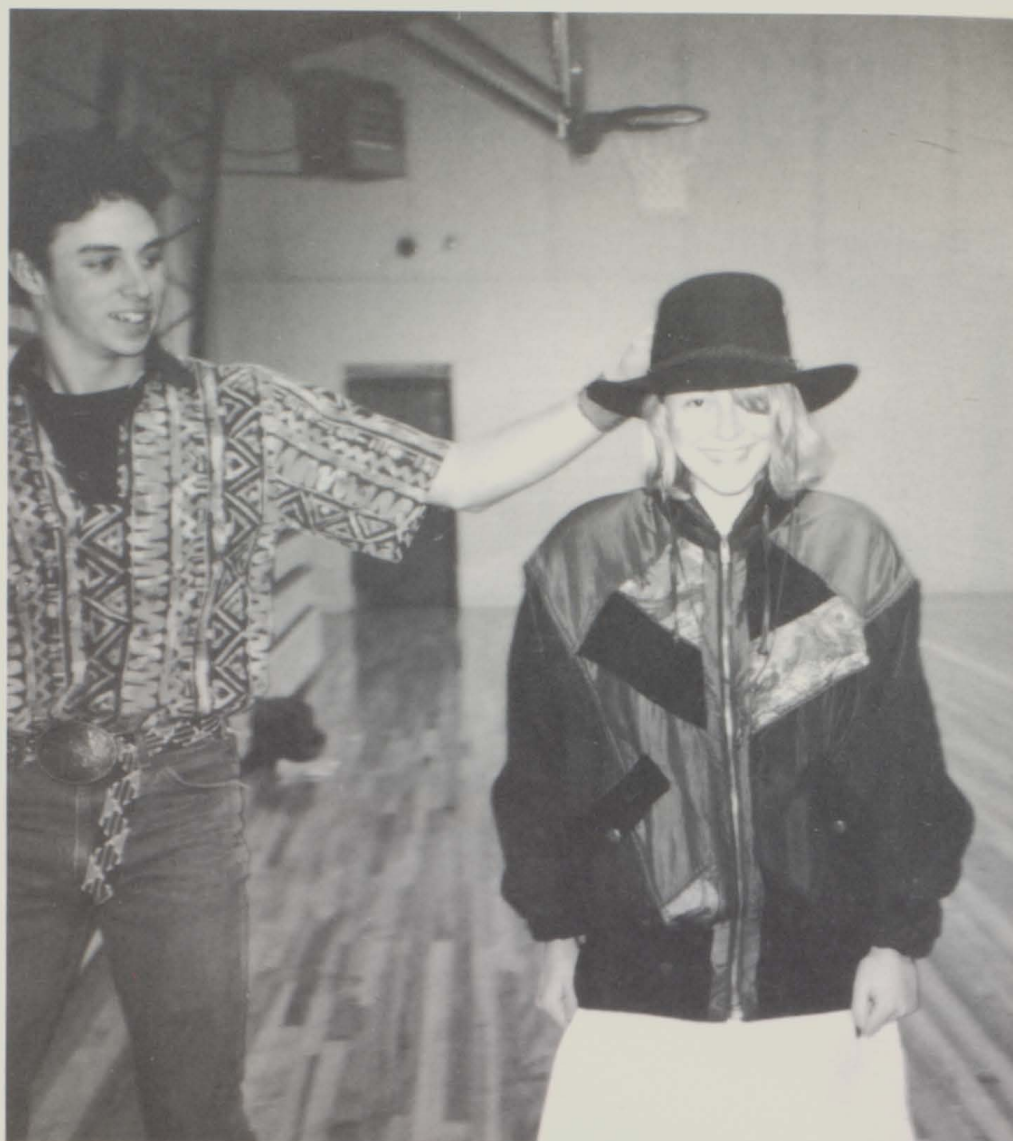

The water fountain- special courtesy of student council.

Student council was very active in the 1992-93 school year. They provided an ice cream social for enjoyment for the school as well as hosted a talent show and Valentine's banquet, student council funds purchased a water fountain, history maps, mats for the gym wall and girls' basketball uniforms.

*This year's drama team has some highly unusual experiences as far as drama team experiences go. This year was a record breaker for the size of the team...a whopping 12 souls decided to brave the crowds of screaming, money-throwing fans and go out for drama. Mr. Hamilton was once again our coach, and what he put up with from us was nothing short of miraculous. Not only did we forget our lines, rearrange all the scenes in the entire one-act play, and break character .... but we did it TWICE!!! Not all was bad though, some very valuable lessons were learned such as the literal fact that the show must go on, and it taught us to keep going no matter what. Oh and Micky .... It's GEORGE ZABRINSKY!!!!*

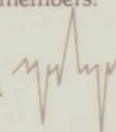

Mr. Hamilton laughs at the thought of Micky messing up on his lines twice during the season .... how ridiculous!!

We are the few ... the proud ... no they're not Marines ... they're Drama members!

STUDENT LIFE

# DORMS

Coming to America does strange things to you.

Dack is busy doing his favorite pastime.

1. What are you smiling for?
2. Okay Fine!! I'm moving out.
3. You trust Kameron with your hair?!

2

3

1

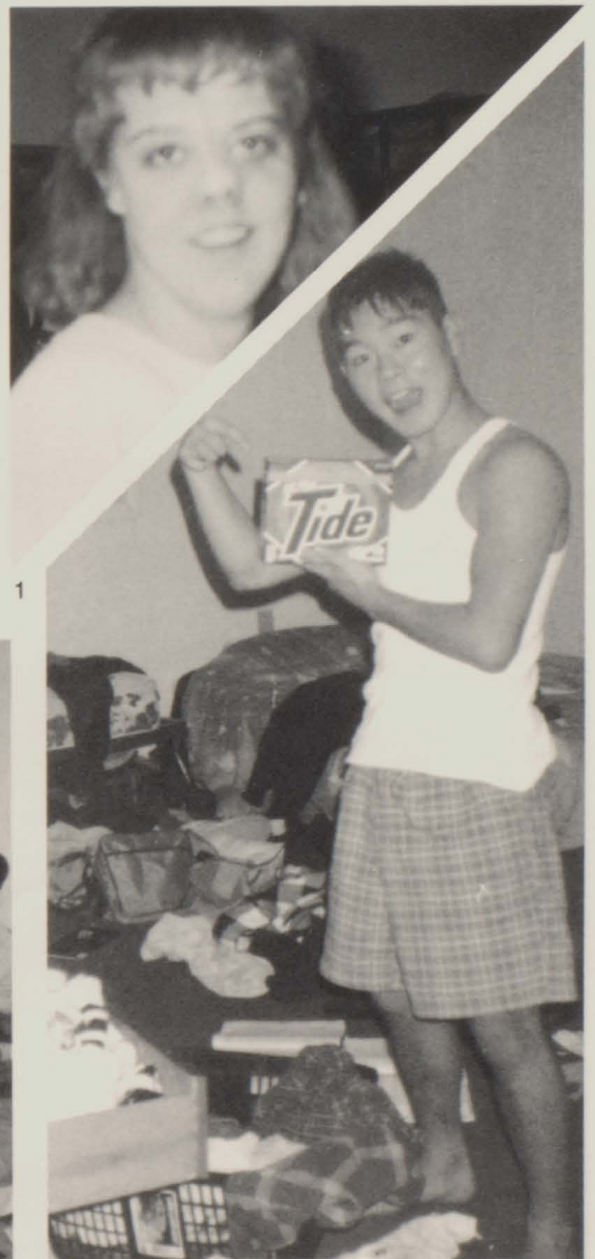

2

1. Where am I?
2. Yummy, yummy!!

Life is interesting; however, life in a dorm is even more interesting. This year both dorms received new dorm parents and the students have had to learn to adjust to new people with new rules. It's not only the students that have had to adjust though. The dorm parents have had to learn how to handle the students, too. The dorms have also decreased in size this year. But even with all of these changes there is still just as much excitement and every week is filled with some kind of unpredictable event. It's impossible to live in the dorm for a year without leaving with some fond memories.

1. The real Miley Jensen.
2. A typical scene from the boy's dorm.
3. Takuto attempts laundry.

God does so much for His children to make our lives easier. He not only died for us, but He put lots of things on this earth to help us out. Food to nourish us, clothes to keep us warm, and quite possibly even more essential than these things, God gave us friends. If you stop and think about all the times you are sad, all the times you are angry, how many of those times have your friends been there for you? Probably all of them. Friends stick by your side through it all-through all of your happy times, and all of your embarrassing times. Think how hard life would be without your friends ... the people who know your secrets, the people who accept you for who you are and not how they want you to be. God gave us a very special gift when He gave us friends.

# PhRENDS ♥ Friends

Friends stick by you even when you have bed heads and morning breath.

Those dorm girls get to be very close friends .... very close!

# CURRENT EVENTS

## The Torch Passes

On November 3, 1992, the heated Presidential election was over. Our new President awaited his January 20 inauguration, while America awaited the changes, new policies and different way of life he would bring. President Clinton pulled in 357 electoral votes, Bush with 168 and Perot with 0. Clinton also received 43% of the popular vote, while Bush earned 38% and Perot 19%. High hopes have aspired for our new President and now we just have to pray and wait.

## Olympic Success

The 1992 Olympic games were concluded in September of 1992 with competitive spirits flying high. Barcelona, Spain was the location, and peace among nations while still being competitive was the theme. The U. S. came out in 3rd place over all, as our athletes competed hard and made our country proud.

This time, the high jump foil  
O'Brien's bid for a reco

From one end of the spectrum to the other, that's the elementary and staff. Each group will step into the wild in very different ways. The elementary is just beginning their seemingly endless years of schooling, while the fearless, or shall we say, insane staff members prepare for another year of teaching the students of Nebraska Christian. But seriously, the faculty of N. C. have truly sacrificed much to teach here ... and to teach us! We do realize this and we think you're a wonderful group of people! Thanks for **Igniting the Fire!!**
